Child Abuse Reporting**1-855-552-KIDS (1-855-552-5437)**

In Idaho, if you have “reasonable cause to believe” a child is being abused or neglected, you must report that suspicion to the Idaho Department of Health and Welfare or law enforcement – and you are required by law to do it immediately. When you call to make a child abuse report, you will be asked for any contact information you have for the child. You will be asked to describe your specific concerns about abuse and/or neglect, as well as if the child is in immediate danger. Any information you can provide about the child will be helpful. This number takes all reports of abuse and/or neglect statewide, 365 days per year, 24 hours per day.

Child Care Resource & Referral, IdahoSTARS **211 or 800-926-2588**

9452 W. Fairview Ave, Boise ID 83704

We accept Medicaid, private pay, payment based on a sliding scale and private insurance. We are accepting new participants for PSR services.

We can help with: depression and ADHD, tantrums and defiance, anxiety, behavioral modification, problem solving skills, coping skills, social skills, confidence building, sexuality awareness, drug education, independent living skills, accountability, sexual assault recovery, anger management, 24 hour crisis intervention, bipolar and more.

We provide the following services:

Skill Training: Assistance in gaining and utilizing skills necessary for managing personal finances, living arrangements, and daily home care duties. Social skill training to improve community functioning and to facilitate appropriate interpersonal behavior. Assistance in gaining and utilizing cognitive skills for problem-solving everyday dilemmas, listening, symptom management, and self-regulation. Assistance for gaining and

utilizing communications skills for the participant to be able to express himself coherently to others including other service providers.

Community Reintegration: Assisting the participant with self-administration of medications by face to face verbal prompts according to the direction of the prescribing physician. The targeted skills must be necessary to maintain his status in the home or community. Working with the participant's legal guardian immediately following the delivery of a mental health service in order to provide follow-up and support actions that facilitate the participants' positive response to the services.

Group Skill Training: Community Living skills groups that focus on occupation-related symptom management, symptom reduction, and skills related to appropriate job or school-related behaviors; Communication and interpersonal skills groups, the goals of which are to improve communication skills and facilitate appropriate interpersonal behavior; Symptom management groups to identify mental illness symptoms which are barriers to successful community integration, crisis prevention, problem identification and resolution, coping skills, developing support systems and planning interventions with teachers, employers, family members and other support persons; and Activities of daily living groups which help participants learn skills related to personal hygiene, grooming, household tasks, use of transportation, socialization, and money management.

Crisis Intervention Service: Crisis support includes intervention for a participant in crisis situations to ensure his health and safety or to prevent his hospitalization or incarceration. A crisis may be precipitated by loss of housing, employment or reduction of income, risk of incarceration, risk of physical harm, family altercation or other emergencies.

Psychotherapy: A method of treating and managing psychiatric disorders through the use of evidenced-based psychological treatment modalities that match the participant's ability to benefit from the service. The focus of the service is on behavioral, emotional, and cognitive aspects of a participant's functioning.

Positive Parenting Class: An ongoing class that is open to the community and free of charge. Classes are every Thursday from 6:30 pm-7:30pm. Free child care during the class.

- Building Positive parenting skills to help strengthen your family
- Improving communication
- Developing self-esteem as a parent and in your child

- Any topics of interest to the group, including specialized info on request
- Raising as family is challenging, but it should also be enjoyable!

Homestyle Direct

1-866-735-0921

Home cooked meals delivered from our hearts to your home. Medicaid approved. www.homestyledirect.com.

Housing Authority of Pocatello

233-6276

711 N. 6th, Pocatello. 9am-3:30pm, Monday-Friday.

Section 8 Housing Choice Voucher Program: Eligibility for this program is based on income and family size and offers rental assistance to private landlords in the community on behalf of eligible families. The waiting list is currently open and applications are being accepted. Acceptance to this program is subject to verification of criminal history and previous participation in HUD assisted programs.

Christensen Courts and Portneuf Towers: Elderly/Disabled housing; eligibility for assistance is based on income and age/disability. Applications are currently being accepted. Acceptance to the waiting list for all apartment projects is subject to verification of criminal history, credit history, references and previous HUD assistance.

McKinley Manor, Maple West Apartments, Pinewood Apartments and Katsilometes Courts: Eligibility for acceptance is based on income. There is no rental assistance which means you pay your own rent. However, the rent, which may vary depending on income, is very reasonable (much lower than the current market rents in the community) and all utilities are included only at McKinley Manor and Maple West Apartments. Acceptance to the waiting list for all apartment projects is subject to verification of criminal history, credit history, references and previous HUD assistance.

HUD

208-334-1990

Fair Housing Discrimination Complaints

800-877-0246

800 Park Boulevard, Suite 220, Boise, ID 83712.

8am-4:30pm, Monday-Friday. HUD is the nation's housing agency committed to increasing homeownership, particularly among minorities; creating affordable housing opportunities for low-income Americans; and supporting the homeless, elderly, people with disabilities, and people living

with AIDS. The Department also promotes economic and community development and enforces the nation's fair housing laws.

Human Development Center

234-7900

Dept. of Health & Welfare, 421 Memorial Dr.

Adult Mental Health provides services to adults with a serious and persistent mental illness, which includes evaluations, treatment, skills, training, medications, and vocational. In addition we provide a 24-hour crisis line, which responds to those individuals experiencing suicidal thoughts or other psychiatric problems. We provide crisis intervention and stabilization services and short term treatment. In addition, we can provide case management services to people who are mentally ill and homeless.

Children's Mental Health provides services to children with a Serious Emotional Disturbance (SED). Children's services include evaluation, clinical case management, medication management, residential treatment and traditional outpatient mental health services. In addition, wraparound case management and parent training are provided.

Developmental Disabilities Program

Children's Access Unit: Assists families in identifying and obtaining appropriate services to meet the needs of their child who has a developmental disability.

The Crisis Prevention Team: Provides information, training, technical assistance and clinical case management to assist families and support providers with prevention strategies to maintain people with developmental disabilities in their homes and communities.

Infant/Toddler Program

Early Intervention for young children, birth to three years old: Provides supports to families within the context of their child's natural learning environments; the family home or community settings. Intervention is based on a family-centered capacity-building, coaching approach. Children, birth to three years of age, may be eligible for early intervention services if they have delays, disabilities or an established medical condition. As the child nears 3 years of age, assistance with transitions into the school district or community-based services is provided.

Idaho Parents Unlimited**208-342-5884**

500 S. 8th Street, Boise, ID 83702. Fax: 208-342-1408.

Idaho Parents Unlimited, Inc. (IPUL) is a statewide organization which houses the Idaho Parent Training and Information Center, the Family to Family Health Information Center, Idaho Family Voices, the Creative Access Art Center and VSA Idaho, an affiliate of VSA, the international organization on arts and disability.

The Parent Training and Information Center ensures that parents of children with disabilities receive training and information on their rights, responsibilities, and protections under the Individuals with Disabilities Education Act (IDEA) in order to develop the skills necessary to cooperatively and effectively participate in planning and decision making relating to early intervention, educational, and transitional services.

As the State Family Voices Affiliate and the Family to Family Health Information Center, IPUL assists families in making informed choices about health care; provide training, information and resources to families of children with special health care needs.

The mission of VSA arts of Idaho is to empower and engage people with disabilities in the creative process through opportunities which are fully inclusive, educational and participatory. VSA Idaho creates opportunities by providing professional training and workshops, developing state initiated projects and implementing successful national programs. VSA Idaho in cooperation with funding through various sources such as the State Department of Education and the Idaho Commission on the Arts provide opportunities for artists to work alongside teachers in special education classrooms throughout the state.

The Creative Access Art Center is located within our office space located in the cultural district of Boise at 500 South 8th Street. This Center was made possible through a Medicaid Infrastructure Grant via the State Independent Living Council which also has supported the creation of a Master/Artist Apprentice Program in which apprentice artists with disabilities are paired with a master artist in order to hone a new skill or

improve upon an emerging skill allowing for meaningful future employment opportunities in a field of one's 'own choice.

Programs include parent training workshops, support group meetings, exhibits and educational classes.

As an agency that is focused on inclusion and opportunities for individuals and families of children with disabilities, accessibility is inherent to the work we do. We have an accessible entrance on the east side of the building and accessibility is also built into not only the space but our programs as well.

The Creative Access Art Center and the programs at Idaho Parents Unlimited fulfill a mission to educate, empower, support and advocate for individuals with disabilities and their families.

PATH**241-5059**

PATH (Projects for Assistance in Transition from Homelessness) is a program, federally funded by a grant managed by Mountain States Group through a contract with the Department of Health and Welfare. The program is staffed by Peer Support Specialists, who provide outreach, guidance and support to individuals who are homeless or at risk for being homeless. The PATH peer specialists assist individuals to find housing, and engage or re-engage with mainstream services such as food stamps, SSI benefits, schooling and jobs. Sometimes there are funds available to assist with as security deposit or first month's rent. Our target populations is those individuals who are homeless or at risk for homelessness with a mental illness or a mental illness with a co-occurring substance abuse issue. For further information please call 241-5059 or 241-5194.

Office hours: 8am-5:00pm, Monday-Thursday, 8am-12pm, Friday.

We provide med management, Suboxone Program, and counseling. We have 3 Psychiatrists, 2 PAs, and 2 psychologists. Ehab Abdallah, M.D., MPH joined Portneuf Behavioral Health in June 2009. He obtained his medical degree from Alexandria University in Alexandria, Egypt. He completed his residency training in Psychiatry at West Virginia University. Dr. Abdallah is double board certified, General Psychiatry and Consultation Liaison Psychiatry (Psychosomatic Medicine), his expertise is in treating psychiatric

illnesses in patients with medical conditions. He is passionate about quality care and patient privacy. Jin R. Soofi, M.D. joined Portneuf Behavioral Health October 3, 2011. She obtained her medical degree from the University of Tennessee. She completed her postgraduate work at Case Western Reserve University in Ohio. Dr. Soofi is board certified in General Psychiatry, she knows that for her patients mental health issues are complex and require different approaches and team work. Dr. Soofi is committed to this partnership as well as quality care for her patients. Richard Batterton, PA-C joined the Portneuf Medical Center Behavioral Health team in April 2011. A graduate of Idaho State University's PA program, he worked in Internal Medicine before coming to behavioral health. Even while in Internal Medicine, maintained an interest in behavioral health, attending psychiatric training programs whenever possible. Rick is happy to be working with the Portneuf Medical Center Behavioral Health team and feels it is his true calling. Karl Letko, PA-C is a native of Pocatello and has recently returned to the area to join the Portneuf Medical Center Behavioral Health team. After completing his graduate training at Idaho State University's Physician Assistant Program in 2010, he worked in a rural health clinic where he developed an increasing interest to care for patients in the field of Psychiatry. Prior to attending PA school Karl was employed by PMC's Laboratory Services and worked as a Medical Technologist. He is professional, empathic, compassionate and caring. Other staff members: Dr. Gardner, Clinical Psychologist, Ph.D.; Dr. Ater, Clinical Psychologist, Ph.D.; and Dr. Morairty, MD. **All of our providers are accepting new patients.** Please call Charley, Deedra, or Stacie to schedule at 239-1710.

Portneuf Medical Center opened a new state-of-the-art regional referral center in May 2011. PMC has served the health care needs of Eastern

Idaho since 1907. With over 1,150 employees, PMC is the second largest employer in Bannock County. Our mission, vision and value statements reflect that we believe in providing compassionate, quality health care to every patient. Our Medical Center is a 187 bed acute care facility. Services include: 24-hour Emergency Care; Neurosurgery and Trauma Services; Life Flight; a new Cancer Center; a Heart and Vascular Center; Orthopedic, General, Robotic and Bariatric Surgery; Behavioral Health Services; Neurosciences & Rehabilitation; a Sleep Lab; Women's and Children's Services; a Wound and Hyperbaric Center and more. Off-site hospital facilities include: Portneuf Convenient Care, the Family Practice Residency Clinic, Physical Medicine, Fast Care at Wal-Mart, Portneuf Home Health Care, Idaho Vein Center and Idaho Medical Imaging.

Portneuf Medical Center Community Education

239-1403

Portneuf Medical Center is focused on your family's health. The Community Education Department provides educational programs for Heart Disease, Childbirth Education, CPR and First Aid, Super Sitters & Safe Kids and Red Hot Mamas-Outsmarting Menopause. Community Education is located at 777 Hospital Way, Pocatello, Idaho 83201. Participants may register for classes online at www.portmed.org or by calling 239-1401.

Community Health Education classes include:

Heartsaver CPR: This class is taught by American Heart Association (AHA) certified healthcare professionals and covers adult/child and infant CPR, choking and the Heimlich maneuver, the use of a barrier device, AED training and hands only CPR training. This course meets the requirements for daycare providers if taken in conjunction with the Heartsaver Pediatric First Aid Course.

Heartsaver Pediatric First Aid: Individuals learn how to manage a pediatric injury or illness until professional help arrives. Topics Include first aid basics, medical emergencies, injury emergencies and environmental emergencies. The class is designed to meet regulations for daycare centers if taken in conjunction with the Heartsaver CPR Course

Heartsaver Basic Adult First Aid: Individuals learn how to manage an adult injury or illness until professional help arrives. Topics included are first aid basics, medical emergencies, injury emergencies and environmental emergencies.

Healthcare Provider Basic Life Support: The American Heart Association course provides training for infant, child and adult CPR and AED

(Automated External Defibrillator). This class is appropriate for those who work directly with patients or are involved in a healthcare profession.

Super Sitter & Safe Kids: This class is designed for boys and girls at least 11 years old. It teaches how to safely care for children they babysit and how to be safe when home alone. The class includes guest speakers from the police and fire departments. Course topics include home safety, positive discipline techniques, basic CPR, and First Aid, proper hand washing, basic infant care and more. Pizza lunch is provided.

Red Hot Mamas: Menopause can be confusing...but it doesn't have to be! This FREE class is designed to help women outsmart menopause! Each class offers a fun "RED HOT" activity, an informative presentation from an expert physician, the latest in women's health information, great food, great giveaways and lots of FUN! Seating is limited so please visit our website at www.portmed.org/classes/special-events or call 239-1401 to register.

Childbirth 101: This is a beginning childbirth class for first-time mothers and support person to help prepare for the strenuous demands of labor and delivery (includes breastfeeding class). The course covers stages of labor, birth, medical interventions including cesarean birth and medication options, breathing and relaxation techniques, postpartum, and baby care basics. A labor and birth book is supplied with the class and a tour is offered.

In a Hurry: This one-day Saturday class is not only for first-time parents who need to complete a childbirth class quickly, but great as a refresher course for returning parents. Topics include all those covered in Childbirth 101 except breastfeeding. Couples may want to register separately for the breastfeeding class.

Breastfeeding for Success: This class is designed to prepare for a successful and rewarding breastfeeding experience. The course covers the techniques for breastfeeding, proper positioning, and returning to work.

Maternity Social: This free class allows expecting parents the opportunity to tour the birthing facility and have last minute questions or concerns answered. Participants should bring insurance information to complete hospital pre-registration. Refreshments are provided.

School District No. 25

232-3563

3115 Poleline Road, Pocatello. Office hours are 7:30am-4:30pm, Monday-Thursday; 7:30am-4pm on Friday. The Pocatello/Chubbuck School District mission is to Maximize Learning For all Students Through Rigor, Relevancy and Relationships: Whatever It Takes. The District operates three high schools, three middle schools, and thirteen elementary schools. It also operates an alternate high school and alternate middle school, a Teen Parent Center, a Head Start Program, Montessori Pre-3rd grade school and Early Intervention Preschool. In addition it provides Title 1 programs, a Family Treatment Cooperative Program, and professional technical programs. Students in grades K-6 attend the elementary schools (some 6th

grades are housed in the middle schools), grades 7 & 8 attend middle schools and grades 9-12 attend high schools. The elementary schools with 6th grades include Edahow, Gate City, Greenacres, Indian Hills, Lewis & Clark, Tendoy and Washington. The elementary schools without 6th grades include Chubbuck, Ellis, Jefferson, Syringa, Tyhee and Wilcox. The administrative office, food services and transportation departments are located at this address.

School Health

239-9080

The school health program focuses on age-appropriate health promotion, health education, and risk reduction services for students, faculty and staff. Key components of the school health program include scoliosis and vision screening, maturation classes, and other health and safety programs.

Southeastern Idaho Community Action Agency

Open 7am-3:30pm, Monday-Thursday. **SEICAA** is a non-profit community based service agency whose aim is to diminish the effects of poverty.

SEICAA's programs include:

Community Services

232-1114, ext-100

825 E. Bridger, Pocatello. Provides the following services to low-income individuals in communities throughout Southeast Idaho.

Emergency Services available to assist individuals with emergency needs.

The following services are available.

G.E.D.: Educators to administer entry level assessment, assist with tutoring and scheduling of GED Test. Pay for cost of testing.

Energy Assistance available to low-income individuals. Each household can receive a benefit amount once a year for their major heat source.

Income guidelines change from year to year. Call the appropriate county for current guidelines. November 1 thru June 30 depending on funding.

Volunteer Income Tax Assistance (VITA) Free tax assistance through online tax software. Volunteers will assist with tax questions and guidelines for completing tax returns. January-April by appointment only, **Family Development** utilizes case management to assist families in becoming self-sufficient through identifying and achieving goals.

Food Boxes: Emergency food boxes are available Monday-Thursday, 8am-12pm (noon). You can receive 6 food baskets per year, at least 30 days between each food basket.

Information and Referral services available to help find various community resources.

Personal Hygiene Products: Each household may receive 6 per year, including diapers. Supplies limited to what's on hand.

Phone Assistance is available to individuals who qualify.

School Supplies: A school supply list is needed. Supplies limited to donations received.

Market Salvage Program is available, in Bannock County only, every Thursday from 1pm-5pm. You are required to bring your own boxes/sacks for carrying.

USDA Food Commodities are distributed on different days, depending on the county you live in. Please call your county for information on distribution day.

Working Closet is a resource for people who are looking for work clothing (at no cost) or have an interview and need appropriate clothing.

Affordable Housing Service **232-1114**

641 N. 8th, Pocatello. Offers low-income and elderly housing. Operates five different apartment complexes, including: St. Anthony Place, Station 1938, Fountain Court, South Oak Apartments and SEICAA Manor.

Homeownership Opportunities **232-1114**

SEICAA's Affordable Housing Department works closely with families to reach and maintain the goal of homeownership through SEICAA's Mutual Self-Help Housing and Acquisition Housing programs. Acquisition Housing is for 80% or below median income for homeownership.

Mutual Self-Help Housing **232-1114**

641 N. 8th, Pocatello. This program is intended for qualifying families to work together in building new homes for each other. Participating families contribute 65% of the construction on each home through "Sweat Equity".

Families must meet eligibility requirements. Applications available online or at SEICAA.

Acquisition Housing **232-1114, ext-157**

641 N. 8th Avenue, Pocatello. This program is intended for qualifying families that may provide limited sweat equity for down payment (up to \$2,500). Families must meet the eligibility requirements. Applications available at SEICAA or on-line.

Meals on Wheels **232-1114**

825 E. Bridger, Pocatello. Provides a mid-day meal to eligible, homebound individuals. Subsidized and Medicaid funded meals available for eligible individuals.

Homebuyer Essentials Financial Literacy Program **232-1114**

641 N. 8th Avenue, Pocatello. This program offers pre-purchase education, financial management courses, post-purchase education; and one on one credit counseling is offered at no fee. This program is available for all individuals and families.

Retired Senior Volunteer Program (RSVP) **233-1114**

641 N. 8th, Pocatello. Recruits and places adults (55+ years of age) interested in providing volunteer assistance in non-profit organizations throughout Southeast Idaho. Also operates Youth Mentoring program for children grades K-12, matching a volunteer mentor with a child in need of a positive adult role model.

Veterans Services **232-1114**

825 E. Bridger, Pocatello. Veterans Services operates a homeless shelter and a transitional housing facility for Veterans. Information and referral services to other Veteran and supportive organizations are available to assist the veterans to identify their goals, attain employment, and become self-sufficient.

Weatherization **237-0991**

1261 Wilson, Suite E, Pocatello. Provides insulations, minor repairs to keep the cold out, and furnace repairs. Applications must meet low-income requirements and be eligible to receive energy assistance.

1901 Alvin Ricken Dr., Pocatello. 8am-5pm, Monday-Friday. Services offered are: Special supplemental nutrition program for women infants children (**WIC**), School Health Nurse, Immunization Clinic, Communicable-Disease Control, Dental Health, Family Planning, STD (sexual transmitted diseases) testing and treatment, Prenatal Ancillary Care (PAC).

Environmental Health Services include: child care inspections, food safety and sanitation, and on-site sewage disposal system permits.

Family and Community Health Services

Southeastern Idaho Public Health, 1901 Alvin Ricken Dr., Pocatello.

Women, Infants, Children (WIC): The WIC program is a supplemental food and nutrition education program for low income, nutritionally at-risk, pregnant, postpartum and breast feeding women, infants and children under five.

Immunization: The immunization program provides a full range of immunization services for infants, children, and adults.

School Health: The school health programs focus on age-appropriate health education, and risk reduction services for students, faculty, & staff. Key components of the school health program include scoliosis and vision screening, maturation classes, and other health and safety programs.

Tobacco Cessation Services: Cessation classes available free of charge. Please call 478-6316.

Tobacco Prevention & Control includes policy development (e.g., smoke-free campuses) as well as education to youth through school and community presentations, and also peer education. Call 478-6316.

Family Planning: The family planning program provides clinical examination and education to women and men who request birth control information. Family planning services promote positive health behaviors, as well as pregnancy and STD (sexually transmitted diseases) prevention.

Adolescent Pregnancy Prevention focuses on reducing teen pregnancies by teaching a comprehensive sex education curriculum called "Reducing the Risks" to teens in high school settings. The program also is a great

resource for parents, caregivers, and educators who are looking for sexual health education resources. Call 478-6316.

Prenatal Ancillary Care PAC: PAC services are provided to pregnant women who are on the Medicaid program only. Services include nursing and nutritionist prenatal education and case management services for at-risk, low-income pregnant women.

Diabetes Program provides communities and individuals with education about risk factors associated with diabetes and the symptoms of diabetes. It strives to prevent complications that accompany diabetes including amputation, heart attack, stroke, blindness, and kidney disease by providing education, risk assessments, food exams, eye exams, and promotion of annual influenza vaccine. The program is based upon National Diabetes Education Program goals and objectives. Call 478-6315.

Comprehensive Cancer Control works with community partners to increase and integrate activities designed to prevent and control cancer in southeast Idaho. Focus is on colon cancer and skin cancer (prevention, screening, and early detection). Call 239-5207.

Arthritis Foundation Exercise Program is a class held twice a week to provide people with regular, free opportunities to exercise to reduce or manage their arthritis pain. Call 239-5250.

Oral Health provides school based fluoride mouth rinse programs, school and community dental health education, and community fluoride varnish clinics. In addition, the program conducts regular oral health screenings for resident of assisted living centers. Call 478-6314.

Physical Activity & Nutrition works with community partners to move towards a culture of health and wellness by encouraging and enabling people to be physically active and make good food choices through education, policy development, and environmental change. Call 239-5207.

Public Health Preparedness works with community partners to increase their preparedness and the capabilities of communities to respond to bioterrorism, other outbreaks of infectious disease, other public health threats and emergencies, and to improve regional preparedness and response. Call 478-6307.

HIV/AIDS offers HIV testing, case management and resource services, as well as HIV/AIDS prevention programs. Call 239-5230.

STD and Communicable Disease Programs: The STD and Communicable Disease Programs provide confidential testing, investigation, treatment and education to individuals who are affected by the diseases, or who have concerns about the nature of communicable disease.

Special Education Services**232-3563**

3115 Poleline, Pocatello. Offices open 7:30am-4:30pm, Monday-Thursday; 7:30am-4pm, Friday. The special services department oversees a variety of special education programs and/or related services to meet the unique needs of students with disabilities. Contact the director of special services or your building principal for more information.

St. Vincent DePaul, Holy Spirit Conference**Store: 233-2555****Social Services: 406-1216**

855 S. 2nd Ave., Pocatello. Food and clothing bank for the low-income, homeless, and those of need in SE Idaho. Successful Transitions and Retention Track: START**282-4359**

ISU College of Technology, RFC Building #48, 777 Memorial Drive, 3rd floor, Pocatello. The program is for those who have achieved or are working toward a certificate of General Education Development (GED©) and wish to further their education. During Phase I, participants enroll in the College Success Course for 1 credit. This class covers topics such as attitudes, values, self-awareness, study skills, social networking, group work, and financial aid. Participants attend regular counseling sessions for academic, career, and personal assistance, as well as Math and English workshops. Throughout this first semester, students take the COMPASS Test two times to ensure accurate class placement. In Phase II of START, participants begin coursework as degree seeking students. START staff, tutors, and counselors maintain regular contact with Phase II enrollees to ensure sustainable futures. START tracks students from the time of acceptance into the program, throughout their educations in the interest of providing opportunities for success.

Call the Idaho CareLine to find the site nearest you. Sites are available February 1st –April 15th each year.

Teen Parenting Program 232-7119

New Horizon Center, 955 W. Alameda Rd, Pocatello. Services for pregnant and parenting teens currently in school. Grades 7-12 are served. Program is an alternative education project. Contact Keith Barnes.

Title I 232-3563

Title I is a federally funded program that is available in many of the Pocatello/Chubbuck elementary schools. The Title I program is different from the special education programs. The purpose of Title I is to provide intervention instruction to help students who are not working to their ability and are below grade level. The majority of Pocatello/Chubbuck's Title I schools are now operating under a School-Wide model. This allows greater flexibility to help students at any grade level with either reading or math. Students are selected through analysis of their state testing scores as well as common assessments given to all grade-level students. Progress monitoring assessments help to track students' gains and determine the need to continue interventions. Parents or teachers may bring concerns about a student to the school's STAT (Student-Teacher Assistance Team) process. Parents are a vital part of the Title I program and are encouraged to participate in volunteer activities or periodic parent training meetings.

TOPS in Idaho 1-800-932-8677

TOPS (Take Off Pounds Sensibly) is a support group for people who are interested in weight control. Preteens & teens welcome. Annual membership fee of \$28, weekly meetings. New members are welcome. Call for meeting times and places.
